Dear Students, Parents, and Community Members,

Today the U.S. Department of Education announced that Little Falls Township School No. 3 has received the distinction of being named a 2019 National Blue Ribbon Exemplary High Performing School. Click [here](#) for press release and click [here](#) for video announcement.

This award is the highest honor a school can receive in the United States. This prestigious accomplishment could not have been achieved without the help and support of the Little Falls Board of Education, school community, and the community at large. Please join me in congratulating our dedicated and enthusiastic teachers/staff, astonishing leader Mrs. Dilkes, and most importantly our ambitious and determined students.

This recognition marks a monumental day in the history of Little Falls. This award is the culmination of our quest and attainment of unprecedented performance. We won't stop here! This award motivates us to continue providing and achieving greatness.

We are now synonymous with the highly regarded schools who have received this distinction before us, with us, and those to come after us! "Coming together is the beginning. Keeping together is progress. Working together is success." – Henry Ford

Proudly yours,

A handwritten signature in black ink that reads "Tracey Marinelli".
