June 8, 2021

Dear Families,

I want to take this opportunity to make you aware of the changes we are implementing for our last 7 days in light of the extreme weather conditions and the Governor granting the ability for each district to make the decision that suits them best.

- Masks do not have to be worn outdoors.
- Windows can be closed in the classrooms with air conditioners on and uni-vents circulating the air.
- Bus windows cracked, not opened, to optimize air conditioning.
- Frequent mask and drink breaks.

Any questions or concerns regarding these changes or your child, please contact your principal directly.

We look forward to closing out this school year in a fun and safe atmosphere.

Be well,

A handwritten signature in black ink that reads "Tracey Marinelli".
