March 23, 2020

Dear Parents & Guardians,

As we continue to navigate through these uncertain times together communication is paramount. I want to assure you that you will receive a video message from me every Friday, as well as written updates as needed. I believe that it is best for us not to look so far ahead and predict what the future may hold, but instead plan in small intervals. With that being said, we will continue our virtual learning plan up to and including Thursday, April 9th. Our scheduled spring break will remain April 10th – 19th, with the understanding that this will be a true break for students, staff, and families. There will be no instruction or interaction from April 10th – 19th. We are expecting that virtual instruction will resume on Monday, April 20th.

While our focus has been on academics we do not take lightly the fact that events and milestones have had to and will continue to be canceled. I am committed to making sure that I reschedule as many canceled milestones and ceremonies that I possibly can. It may not be on the same date and it may not look the way it did in the past, but when time allows we will come together, host our celebrations, and make cherished memories for your children to carry with them always.

Our staff and students continue to exceed any and all expectations I had for the uncharted territory we are embarking on. I am forever proud and grateful. While it may seem difficult at times I ask that you stay calm, stay positive, stay healthy, and stay proud to be a Hornet.

Be well and stay safe,

A handwritten signature in black ink that reads "Tracey Marinelli".
