Dear Families:

After careful consideration and collaboration with the health department and in accordance with the NJDOH/NJDOE Health and Safety Guidelines identifying our region as a high activity level for COVID-19 rates and transmission, the quarantine period for unvaccinated direct contacts is returning to 14 days and will no longer have the ability to test to shorten this period.

Please keep in close contact with your child's nurse should you have any questions or concerns.

As always, thank you for your cooperation.

Be well,
