November 29, 2021

Dear Families:

We appreciate your cooperation and patience during COVID restriction policy and procedure changes. We wanted to provide you with updated travel guidance for our District.

1. When traveling anywhere within the tri state area, no quarantine is necessary.
2. When traveling anywhere via airplane or train:
  - Provide nurse with student vaccination card and no quarantine is necessary.
  - Provide nurse with negative PCR test taken upon arrival from travel and no additional quarantine is necessary.
  - If student is not vaccinated and you choose not to have a PCR test, then student would be required to complete a 10-day quarantine.
3. If you are traveling outside the tri state area using personal transportation, please contact your nurse to determine appropriate protocols.

It is important to know that any fully vaccinated student is not required to quarantine regardless of travel destination.

Be well,

A handwritten signature in cursive script that reads "Tracey Marinelli".
