January 26, 2021

Dear Families:

I am writing to let you know that after a great deal of deliberation, consideration, and collaboration, we have decided that Little Falls Township Public Schools will continue Virtual Instruction for the remainder of this week. We are anticipating a return to In-person Instruction on Monday, February 1<sup>st</sup>. This time will allow us to properly contact trace positive COVID cases that have been brought to our attention today. **It is important to note that if you previously received notification that your child is either quarantined or on Virtual Instruction until a date after February 1<sup>st</sup>, your child must stay out until the time indicated in that letter.** Please remember to continue to complete the COVID screening questionnaire (if your child receives In-person Instruction) during our time on full Virtual Instruction so that we may continue to compile accurate data.

These decisions are not made lightly; they are done so with a great deal of heart and thought to keep everyone safe. In order to continue to make progress we must work together. It is imperative that if you, your child, or someone in your household is exhibiting any symptoms (even those of the common cold) that you check with your school nurse prior to sending your child into school.

Should you have any questions or concerns regarding the above information, please contact my office at 973-256-1034.

Best,

A handwritten signature in black ink that reads "Tracey Marinelli".
