April 2, 2021

Dear Families:

As we enter into spring break we were all hopeful that by now we would have turned a corner and seen a dramatic decrease in COVID cases. Unfortunately, as I write to you the cases within our District and the Township of Little Falls continue to increase. As a result and in collaboration with our health department we will move to Synchronous Virtual Instruction beginning Monday, April 12th through Friday April 16th. We anticipate returning to In-person Instruction on Monday, April 19th. Please remember that Monday, April 19th begins our extended hours. If you haven't already, you will be receiving communication from your child's principal with details. During Virtual Instruction please remember to continue to complete the COVID screening questionnaire (if your child receives In-person Instruction) so we may continue to collect accurate data. I wish you and your families a happy healthy and restful spring break.

Be well,

A handwritten signature in black ink that reads "Tracey Marinelli".
