

One District... One Team... One Vision

“Alone we can do so little. Together we can do so much.”

PARENT **A**CADEMY

MISSION: To promote continued cooperation between families and schools, the Little Falls Township Public Schools is offering Parent Academy- a series of classes, workshops and events aimed at helping families learn to engage with the school system and positively contribute to their child’s academic success.

GOALS:

- Strengthen home - school partnership.
- Assist and support parents and caregivers to positively impact educational outcomes for children.
- Encourage active partners in the education process.
- Provide an atmosphere that supports student achievement, success and parental involvement.
