

2023-2024 District Goals

Strategic Plan - Portrait of a Hornet

Collaborate with all stakeholders to develop and adopt a strategic plan which encompasses the characteristics of a Little Falls Graduate.

Our current Strategic Plan has concluded. It is necessary to develop a new Strategic Plan that prepares our students for success in the future in both academics and personal characteristics.

Physical Space

Support staff in creating learning environments that are relevant and effective to meet the needs of students as producers.

Current furniture is outdated and does not lend itself to future-ready instruction and environments.

Assessment

Analyze, revise and adopt new assessment methods that align with newly revised curricula and NJSLs.

The district is in need of a universal screener and streamlined assessments and assessment development.

2023-2024 School #2 Goals

Strategic Plan - Portrait of a Hornet

Utilize the characteristics of a Little Falls Graduate to create a culture of learning where we foster students as producers.

- * The district is moving forward with a Strategic Plan that is focused on preparing our students for success in the future.
- * SCIP committee will develop the framework for a second grade research based project.
- * SCIP committee will develop a foundational plan for ways to incorporate cross-curricular activities.

Physical Space

Support staff in adapting to learning environments that are relevant and effective to meet the needs of students as producers.

- * Current furniture is outdated and does not lend itself to future-ready instruction and environment.
- * Collaborate with staff members in order to set up classrooms that are reflective of best practices.
- * Provide opportunities for staff members to observe and collaborate with colleagues.

Assessment

Analyze, revise and adopt new assessment methods that align with newly revised curricula and NJSLs.

- * Teachers will receive training on administering DIBELS 8th.
- * SCIP will create a folder of all past presentations to ensure all teachers have access to the previous PDP.
- * Update assessments in ATLAS and ensure they are all labeled correctly.

2023-2024 School #3 Goals

Portrait of a Hornet

Utilize the characteristics of a Little Falls Graduate in order to create a culture that fosters students as producers.
