March 9, 2020

Dear Parents & Guardians:

As our District continues to prepare in the event that schools are directed to close by the NJ Department of Health, it is our suggestion that you begin to do the same. Here are some things we are prepared to do in the event of a closing:

1. Provide every child in grades preschool through 8 with a device and charger to bring home.
2. Provide instruction virtually.
3. Provide breakfast and lunch for those in free and reduced status.

Things you should be doing to prepare:

1. Make sure that your information is updated and accurate in our REALTIME portal.
2. If all parents/guardians in the home are working, have a plan. If vacation or days off are not available, reach out to family members and/or neighbors to see if they can stay with the children during the day.
3. Please make sure you complete and return the WiFi Form we are sending home today, by tomorrow. If you do not have WiFi access, contact your child's principal so we can make arrangements for you.

In closing, the Department of Health and the Little Falls Township Public Schools recommend that all parents or children who have traveled to an area of the world highly impacted by the Coronavirus, contact their child's principal and/or school nurse prior to sending their child back to school. These cases will be referred to our Health Department so that they can determine the appropriate timeline for re-entry to school.

I know that the updates and information regarding COVID-19 can be both overwhelming and unnerving. However, I have daily meetings and/or conversations with Education and Health Officials on the local, county, and state level. As such, the situation is fluid and I want to make sure I'm providing you with the most updated information.

Best,

A handwritten signature in black ink that reads "Tracey Marinelli".
